International Trade

Our specialist Trade Teams can help your business access new customers and compete successfully in export markets by developing effective export strategies. This includes working with you to identify future opportunities and developing solutions that will make your business stand out from the competition.

We offer extensive support through our Overseas Events Programme, which is open to businesses engaged in manufacturing and tradeable services. It is designed to help your company access new customers, showcase your products and services and develop those all-important business relationships.

If you are interested in participating in any of these events, please contact us at 0800 181 4422 or email the contact associated with the event.
